CONFERENCE PROGRAMME: SATURDAY

PRACTICAL SKILLS ZONE

CPPE are providing coaching clinics to help you with the important interview techniques needed to secure your next job. These free to attend sessions can be book before CPC through the session selector or at CPPE stand (K30) at CPC – spaces are limited. Interview questions will generally be values based, not specific to an area of pharmacy and at the end of the interview clinic you will be provided with a handout which will contain helpful tips, as well as how they performed against the criteria.

CONSULTATION SKILLS

These 90 minute sessions are aimed at pharmacy professionals who require supplementary patient facing skills. Each session will have a period of verbal teaching followed by hands on practical skills which may involve working with a partner to practice the newly acquired skill. All sessions will start with how to study the patient on arrival before moving onto the specialist skills for each session. After each 90 minute session participants will receive a certificate of attendance to demonstrate the practical skills they have acquired and ready to take back to their workplace.

These sessions will be self-contained and run in small groups ensuring participants have maximum time with the trainer and plenty of time to practice the skills required. There is a booking fee of £10 + VAT to ensure your place once these are fully booked there will be a wait list formed. Sessions are pre-bookable on the CPC registration site.
